

## **Career Research Presentation**

For this assignment, you will be creating a PowerPoint and presenting information about the career of your choice. You will be using the information you gathered from the ILP website assignment. The purpose of this presentation is to inform the audience on the career you are discussing. You need to make sure you have sufficient information about all of the aspects listed below. Feel free to add any other important information as well.

You will also be doing a self-assessment of your presentation. You will be grading yourself on how you did. The more accurate you are with your score, the higher score you receive overall.

**This assignment is worth 30 points.**
