

Career Research Project

For this assignment, you will be researching the top three **(3)** careers that interest you. You will need to find out the following information about **each** of those three chosen careers.

You will be using the **ILP website**: www.careercruising.com/ilp

This assignment is worth 30 points total.

- 1. Job Description** – one paragraph summary of the overall job
- 2. Working Conditions** - daily activities, nature of the work, job duties, etc.
- 3. Employment** - Where can you get a job like this? (go to **Working Conditions**)
- 4. Earnings** – Median Wage? Any bonuses, benefits, incentives, etc?
- 5. Job Outlook** – Employment numbers, the Change # and %, Annual Average Openings
- 6. Education Required** – high school? Associates? Bachelors? Masters? etc
- 7. Training** –Are any internships available? Give me the title. (Go to **Find Jobs**)
- 8. Sample Career Path** – give me details of only one (1)
- 9. Related Occupations** – list three (3)
- 10. Other Resources** – Where can someone go to find out more info? (list 3)

*****If information is not available, write "N/A" on your paper*****

****You are to write your research out on paper, NOT type it on the computer****

Earnings and Job Outlook will all be found on the "Earnings" page
